BRUCE

Tesswater Beef Club

Schiestel Kim Cowdashian 51 K DOB: Jan 15 2022

Shown by: Cheyenne Collins

Age: 9 ■ 1st yr in 4-H, One of my favourite parts about showing cattle is learning how to walk, wash & train my calf. Three things I learned this year are: how much milk a dairy cow produces in a day, different cuts of meat, and how to walk / set up my calf in the ring for the judge. Next year I plan to join the beef and/or horse 4-H. I loved when we went to the dairy barn to see all the baby calves, especially the twins that kept licking me!

Schiestel Kansas 57 K ■ DOB: Feb 4 2022

Shown by: Cierra Collins

Age: 9 ■ 1st yr in 4-H, I learned how to set up my calf in the ring for the judge. My favourite meeting was the dairy farm because I got to see lots of calves and go in the calf huts. One of my favourite parts about showing was walking them around in the pen.

Age: 20 ■ 12 yrs in 4-H, As many may know, I am currently in my final year in my Biology degree at Lakehead University in Thunder Bay. This past year I did not attend any shows due to working on my undergraduate thesis in Thunder Bay but I was able to complete my 4-H Beef Club by doing a project on anthrax in cattle and helping out with the pre achievement day. This past year I also completed a couple other virtual 4-H clubs that were offered through Wellington County. Next year will be my last year showing cattle with 4-H & I look forward to being able to attend shows with everyone once again.
